April 26, 2016

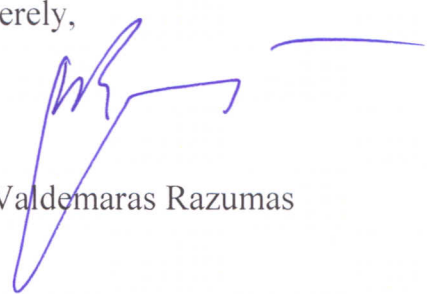

Dear Colleague,

It is of great pleasure to inform you about your election the Foreign Member of the Lithuanian Academy of Sciences by a unanimous vote at the General Session of our Academy held on April 26, 2016. Please accept the most sincere congratulations on this occasion.

Newly-elected Foreign Members of our Academy traditionally are inaugurated and give a lecture during a special ceremony. I hope we will be able to reconcile the date for this special event in the near future.

With my cordial greetings, I remain,

Yours sincerely,

Professor Valdemaras Razumas
President
